

„Zaduszki Jazzowe”
All Souls' Day International Jazz Festival
The Biggest Polish Jazz Fest outside Poland

AllSoulsJazz.com & Chopin Theatre are hosting their annual
”ZADUSZKI”- All Souls' Day International Jazz Festival on
November 4th, 2024, from 7pm to past midnight.
The event is located at the well-known **Chopin Theatre, 1543 W. Division, Chicago, IL.**

Over 50 jazz musicians will perform this year... New, raw talents as well as world-renowned jazz musicians will play concerts and jam side by side on two theater's stages for over six hours.

This All-Souls' Day music tradition stems from the oldest jazz festival in Poland brought overseas 24 years ago for Chicago only audiences to enjoy. It gains greater recognition and more popularity every year and is welcomed by Chicago's jazz scene.

The performing artists include international guests and local musicians.

Among them have recently performed: legendary Eddie Henderson, Jerry Goodman, “Laboratorium”, Janusz Muniak, Jarek Smietana, Krzysztof Scieranski, Marek Strykowski, Frieda Lee, Grazyna Auguscik, Paulinho Garcia, Marcin Januszkiewicz, Rusty Jones and many, many others.

We kindly ask businesses and organizations, all members, and their friends to join in support by contributing to this outstanding event (funds may be tax deductible – ask your tax advisor).
